Additional background information is discussed in the specification under the heading "Background Information."

This statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the Examiner of the art cited or an independent search by the Examiner, and no representation of any nature is made or intended by the filing of this statement.

In addition to the art cited in the specification and in the documents cited on the Patent and Trademark Office Form PTO/SB/08A, applicants and/or their attorney may have been exposed to or considered additional art relating to the general class of the subject matter of the invention.
